

Dear Parents,

1. For more than a month now, APS BAREILLY is conducting realtime online classes through Google-Meet and Google-Classroom app.

2. The essential prerequisite for this model to succeed are a good internet broadband connection at your home and a laptop/desktop PC for your child. While a smartphone will also suffice, the classes will be better assimilated on a larger screen provided a laptop/ desktop PC, or even a Tab.

3. I request you for installation of a broadband connection and purchase of a low-end laptop/ desktop PC in the interest of your child.

4. Online classes are here to stay and may become the norm in future. Investment in your child's education is an important aspect that no one can afford to ignore.

Best wishes.

Brig Saurabh Tewari

Chairman

APS BAREILLY
